Designed by Tolix®

*55 Coffee Table

An icon of industrial esthetics since 1955, TOLIX®'s 55 Coffee Table has travelled through periods and styles and become a classic in its own right. Etched in the collective memory, it is a «living heritage» that illustrates the French art of living. TOLIX® introduced a coffee table version in 2013, giving it pride of place in the center of the living room. It has all the characteristics of its namesake: tapered and conic legs that give it finesse and make it lightweight.
