Designed by Normal Studio

*Diamant Cabinet

The TOLIX® Diamant Collection was created by Normal Studio. It brings to mind the memory of the industrial world's raw esthetics and enjoys the same success as TOLIX®'s primary creations. Made according to TOLIX®'s traditional and tested expertise in steel furniture, the Diamant collection reveals the French manufacturer's mastery and art in folding steel. Each piece of furniture in this collection has textured sides like a cut diamond that reflect and play with the light. The Diamant Cabinet can be used on its own or with the Diamant Shelves. The Cabinet opens with a gentle push, and is drawn closed with magnets. Order the Diamant Cabinet in any of the colors and finishes from the ESSENTIELS, TENDANCES and BRUT VERNIS color charts.
