

Café TOLIX®

Plateau S

Designed by Kilian Schindler

Our « Café TOLIX® - Plateau S » is 100% made in France in our French manufacture. It is the ideal accessory to go with your afternoon cup of tea, coffee or an evening in front of the TV. Easy to clean and disinfect thanks to its refined design.

Our small tray has been manufactured according to Tolix's know-how : folding and stamping of the metal sheets. A useful accessory thanks to its stackability. Available in the color charts ESSENTIELS and TENDANCES, it will go with all types of interior decoration.
