*AZUR Side Table

Discover TOLIX[®]'s Azur Collection. A stainless steel sun lounger manufactured in our workshop frames a French Batyline[®] canvas for a product that is 100% made in France. An Azur Side Table, also in stainless steel, can complete the Sun Lounger.

This patio pair imagined by designer Frédéric Gaunet respects TOLIX[®]'s DNA. The brand's expertise in the art of stamping and folding sheet metal produces stainless steel furniture with timeless contours.
