

Fauteuil PATIO^{*}

Stainless steel slats version

Designed by Pauline Deltour

PATIO armchairs are lightweight and stackable. The dimensions and solidity of the pieces make them ideal for intensive-use scenarios such as hotels and restaurants.

The range has been especially designed for outdoor use given that the pieces are made from stainless steel.

- NEW FOR 2019/2020
- MADE IN FRANCE furniture
- Available in ESSENTIELS and TENDANCES color charts

Pauline Deltour's PATIO collection. An outdoor range comprising chairs, lounge chairs and tables in several versions.

The armchairs and lounge armchairs are available in full stainless steel or with stainless steel slats. PATIO stainless steel tables are available in square or rectangular versions. PATIO is a new collection that combines modernity, elegance, lightness and strength and which takes full advantage of the experience and know-how of TOLIX and its mastery of steel materials. The PATIO collection is made in France at the TOLIX factory in Burgundy. The materials used to fabricate the PATIO collection are 100% recyclable.
