

Guéridon 77 - Carré plateau basculant - H110

Designed by Chantal Andriot

The Guéridon 77 in a 70 x 70 cm square tabletop version is a furniture designed for hotel and restaurant professionals. Its foot, its tray and its tilting system developed by Tolix are 100% stainless steel, making this table suitable for intensive indoor and outdoor use. Practical, these standing tables, once folded, can be stored in an aligned way and without loss of space thanks to their built-in foot. This square tray version can accommodate 2 to 4 people. Available in all the colors and finishes from the TOLIX® ESSENTIELS, TENDANCES and BRUT VERNIS color charts.

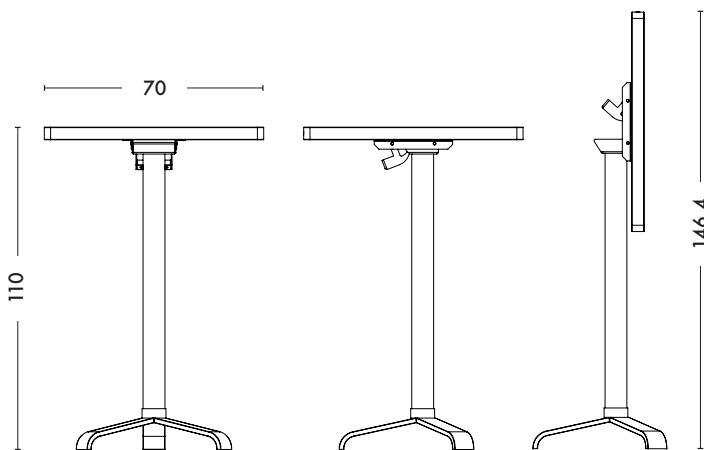

- Robust and easy to handle rocker system
- Stainless steel design
- Available in the color charts ESSENTIELS, TENDANCES and BRUT VERNIS
