

# Tabouret H30 perforé

*Designed by Tolix®*

***The H30 perforated Stool is ideal for children and adults. Ideal as a seat or footstool for children, its resistance makes it possible to be used for the same functions by the older ones.***

***This new perforated version of the H30 stool gives it such elegance that it will also find its place as a decorative object in a room of the house to put a plant or to place a pile of books.***
