\*H stool with backrest

***An icon of industrial esthetics for almost a century, TOLIX®'s H Stool has travelled through periods and styles and become a classic in its own right. Etched in the collective memory, it is a «living heritage» that illustrates the French art of living. For this HGD version, the stool includes a high back that very comfortably supports the entire back. Add a TOLIX® cushion for even greater comfort. Like the other TOLIX®'s H Stools, the HGD stools are available in eight different heights that change every 5cm, from 45 to 80cm. HGD Stools can also be found in a perforated version.***

- Available in the color charts ESSENTIELS, TENDANCES and BRUT VERNIS
- Available in eight different sizes
- The «Tabourets H» have footrests from the size H60 to H80
